N/A, Wallkill, NY

Set on a knoll overlooking pastoral views stretching to the Shawangunk Mountains and Mohonk's Skytop Tower, this gracious colonial home offers an abundance of space for both family & entertaining. Exceptionally high ceilings for the period give this home the breathing room it deserves. The great room and living room are each finished with stone fireplaces, hand hewn beams & wide board flooring. The great room steps down to a sun drenched 3 season room that walks out to architecturally designed, expertly manicured mature gardens & pool with stone surround. The kitchen is flooded with natural light and offers the sweetest breakfast nook that overlooks the pool and gardens. A formal dining room with venetian plaster walls completes the spacious main level. Two beautiful staircases bring you upstairs to a spacious primary suite with new ensuite bath, large walk-in closet, and its own fireplace. On the other side of the home you'll find the other full bathroom and 3 bedrooms, each generously proportioned and with their own unique look and feel. The grounds of this property are exquisite and magazine worthy. If you're looking for character, charm, a place to unwind and detach from the day to day, then this should be experienced. Meticulously maintained for over a decade by the current owner, and not easy to let go of, the opportunity to continue the good stewardship this summer should not be missed. There is nothing like it in Ulster

County right now with this combination of features and benefits. Â Convenient to popular Wildflower Farms for all your wellness needs, near to many local family farms, orchards, and for the nature lover and outdoor enthusiast, you'll always be happy at the Mohonk and Sam's Point Preserve and Minnewaska State Park.
