3 Bedroom, 1.00 Bathroom, 1,516 sqft

Residential on 1 Acres

N/A, Saugerties, NY

Come see this truly loved West Saugerties home, right in between Saugerties and Woodstock Villages. Nestled back from the road, this one level home is on 1.21 acres of lovely land with a wooded back, huge open field backyard, gardens, and lots of outdoor entertainment space. There are 3 good size bedrooms, and a lovely full bath with both shower and clawfoot tub. You will love the bright and sunny open layout with vaulted ceilings, skylights, and hardwood floors throughout. The brilliant and very spacious living room has a pellet stove, and the fully windowed den room (our personal fave) in the back has a beautiful Jotul wood stove. There's a new HVAC system for heat and central air, new septic, new maple floors, fully updated kitchen, and many more improvements. It's more than move-in ready. In the back, you'll also see a large outbuilding that is really great storage or maybe more for the new owner! Absolutely stunning Platte Clove Preserve and beloved Plattekill Creek with several waterfalls and stream side views, including the Blue Mountain Reservoir, are just up the road. You must see this home in person to appreciate it's serene vibe.
