Residential on 13 Acres

A well-constructed and stately log home, 1417 Bulls Head Road sits on 12 quiet and secluded acres in Northern Dutchess County and is your ideal country getaway. This expansive property, with exposed timber-framing and a stunning central great room, highlights quality craftsmanship and construction and is complete with an in-ground pool. Conveniently located close to the Taconic Parkway, towns like Rhinebeck, Millbrook and the hamlet of Stanfordville are all easy to get to, while the property remains in a quiet and secluded world of it's own. The main level of the house features an open kitchen/dining configuration. The kitchen is outfitted with a 6-burner gas cooktop, double ovens and plentiful counter space to cook for a crowd. Just beyond the kitchen is the great room, with soaring ceilings, exposed timber-framing and a dramatic stone chimney ready for your choice of wood-burning stove. Exposed beams and pine paneling add warmth and rustic charm to this stunning space, large enough to accommodate both a dining area and seating in an ideal layout for large gatherings, dinner parties and entertaining. There are three bedrooms on the main level of the home. The primary suite, which accommodates king-sized furniture, has an en-suite bathroom and French doors that open onto the expansive back deck. Two more bedrooms, on the opposite side of the house, are spacious and share a full bathroom. Proceeding past the great room is an additional living area, with two sets of glass

French doors onto the back deck, which would be well-suited as a den or movie room. Upstairs is a finished loft space and two additional rooms that are framed, electrified and ready to be finished to your choice. The walk-out basement level adds an additional approximately 1,500 finished square feet, with a home gym ready for your choice of equipment, an additional recreation/living space, a three-quarter bath and a kitchenette that walks out to the pool and backyard. There is no lack of things to do surrounding this location. For a lovely meal out, Stissing House is 15 minutes away. When you're ready to furnish your country getaway, Hammertown is 18 minutes away as well, and the property is less than a two hour drive from Upper Manhattan.
