---

## \$299,900

2 Bedroom, 1.50 Bathroom, 1,010 sqft  
Residential on 0 Acres

N/A, East Kingston, NY

Introducing this beautiful renovated two bedroom, 1/1/2 bath home that blends modern comfort with classic charm. Nestled in on a dead end road, this home has undergone a comprehensive makeover, leading no detail untouched. As you approach, you will notice the brand new roof, a symbol of care that has gone into this home revival. Step inside and you will be greeted by an inviting living space that connects the dining area and kitchen.

The open floor plan is perfect for entertaining friends and family. The kitchen has wooden cabinets and stainless steel appliance along with gleaming marble countertops. From the dining area you can walk into the living room with sliding doors onto the deck. Both dining room and living room have electric fireplaces to add warmth and ambiance. When you walk into the convenient down stairs half bath / laundry room combo you will find a stack-able washer and dryer. Go upstairs to your two bedrooms and beautiful full bath. Step outside to discover a partially fenced yard that has been thoughtfully landscaped. Enjoy summer evenings on the deck, perfect for barbecues and relaxation. A fire pit area adds an enchanting touch, creating the ideal setting for roasting marshmallows and sharing stories under the stars. One of the standout features of this property is the brand new one-car garage with an electric garage door. Its not just a place to park your vehicle, there is room for a work bench but also offers valuable storage space. This home is more than just a

house, it's a place where memories are made and cherished. With its charming character its ready to welcome you into a new chapter of home ownership. Don't miss this opportunity to make this renovated gem your forever home.

Built in 1905
