3 Bedroom, 2.00 Bathroom, 1,742 sqft
Residential on 3 Acres

N/A, Woodstock, NY

A Rare Find in Woodstock on Desired California Quarry Road! This 3 bedroom , 2 bath archetypical Woodstock house is perched on Overlook Mountain surrounded by trees, set on over three private acres and just minutes to the town center. Multi-level open living plan with an en suite primary bedroom on the upper level and a deck that overlooks the mountains. The lower level has two other bedrooms with another full bathroom offering space for privacy. Natural light flows into the living room and is centered with a beautiful bluestone fireplace... The kitchen and dining room are set on the middle level with wood beams displayed throughout and a freestanding wood stove for the ultimate cozy Catskill living feeling... the screened-in porch or the front deck are perfect for warm weather dining and lounging with the hot tub ideal for all seasons... Reservoir views are seasonal but potentially could be year-round. Seller has also installed an electric car charger at the home.

Built in 1981
