N/A, Saugerties, NY

A cozy 3 BR/1 Bath modular home that is move-in-ready with newly installed laminate flooring throughout. In 2012 the house got all new windows, a new roof, duct work and electrical. The basement has a walk out entrance in the back yard. A large front yard that sets the house back from the road and a very large backyard with endless possibilities! The backyard contains a concrete pad that's perfect for a summer patio or a night-time fire pit for gathering with friends. The fence at the very rear portion of the back yard was installed in 2020. With just 2 miles to the center of town you are close to all the action and it's only 10 miles to Kingston for all your shopping needs. Just a mile down the road is a park where you can take in the beautiful views of the Hudson River, fish, watch your kids play at the park or launch your boat. Everything you need is within reach!
