4 Bedroom, 3.00 Bathroom, 2,784 sqft
Residential on 4 Acres

N/A, Canaan, NY

Into the woods and across a bridge you arrive at The "Bridge House", an architect designed California modern treehouse style home nestled on 4.4 acres of mature trees with established perennial plantings, featuring over one thousand tiger lilies edging a beautiful stream. Four bedrooms , three baths , and an office with separate entrance across two levels. Large picture windows throughout give you a birds-eye view of the property from all sides. Open plan concept, formal dining room, with French doors , living room with fireplace and library with wood stove. Three decks and a spacious porch. Detached two car garage with stand up loft complete this idilic home.

Built in 1983
