3 Bedroom, 1.50 Bathroom, 1,559 sqft
Residential on 1 Acres

N/A, Olivebridge, NY

Life is Good - in this groovy country ranch with 3 bedrooms, 1.5 baths on 1.26 acres. Open Living/Dining room with easy flow. The built-in dry bar (w/ new under-counter beverage fridge) and the new gas insert in the brick fireplace are everything you need for an apres ski party. "Drinks anyone?" The eat-in kitchen is huge and leads through glass sliders to a full-sized enclosed porch with windows overlooking the massive yard—a great place to play soccer, badminton, bocci; or sit around the fire pit and chill on a warm summer night. The bedrooms are all ample size and are down a long hallway, well away from company and activities in the Living Room. This home provides privacy and peace & quiet as you sleep soundly in the country. Seconds to Tetta's for coffee, a deli sandwich, or groceries. Minutes to Stone Ridge and a short drive to Kingston or Woodstock. This super quiet country road lends itself to jogging and dog walking. Newer water heater, UV light, boiler and sump pump make for a step-right-in-and-enjoy experience. The huge basement has plenty of room for storage galore, a ping pong table, or a work station. A pleasure to see and show.
