4 Bedroom, 2.50 Bathroom, 2,240 sqft  
Residential on 2 Acres

N/A, Ulster Park, NY

Move right in to this charming and spacious country colonial in the Town of Esopus. The extended driveway sets this property far back off the road, affording the house with privacy on close to two level acres. It feels like home from the moment you step on to the full-length rocking chair front porch! Wonderful layout includes an oversized living room with gas fireplace, formal dining room and half bath on the first floor. The kitchen is completely renovated with new appliances, cabinets and granite countertops, with a peninsula perfect for breakfast, homework, or keeping the Chef company. There is an additional open eating area with bay window between the kitchen and living room. Upstairs you'll find four bedrooms, including a generous primary with a walk-in closet and ensuite bath with both a jacuzzi tub and a shower. Another full bath and laundry round out the second floor. The large basement offers potential for workshop, exercise or play room with plenty of storage space left over. Off the back of the house is a generous deck ideal for relaxing or entertaining. The included 8 person Caldera hot tub sits on a bluestone patio just off the deck, and there is also a 2 year old above ground pool. House boasts: brand new roof and gutters, new whole house generator, new oak flooring in living room, new decking, new 12x16 shed with loft, and recently partially blacktopped driveway. Youâ€™ll love the quiet location, just about midway between New Paltz and Kingston, and only a few minutes

from hiking at the Shaupeneak Ridge.
