Welcome to 281 Brimstone Hill Road, a remarkable log home that seamlessly blends the comforts of a full-time residence with the allure of a perfect country getaway. The well-appointed layout of the kitchen, dining, and living areas creates a sense of spaciousness with plenty of room for gathering loved ones for grand dinner parties. It is equally suited for those quiet, cozy nights in front of the wood-burning stove, where the soft glow of the flames provides the perfect backdrop for cooler Hudson Valley weather. Grand and open with vaulted ceilings, sunlight streams into the living room through oversized windows, filling the space with natural light and bringing the beauty of the surrounding landscape indoors. A serene primary suite completes this first floor. It graciously accommodates a king-size bed, has a spacious ensuite, and plenty of closet space. A true retreat, this space is tucked away at the far end of the home for real rest and relaxation. Up the newly sisal-covered stairs, you will find 2 additional queen-sized bedrooms and another renovated full bathroom. Each bedroom has warm wood details, vaulted ceilings, and ample storage. An oversized 768 sq ft barn-style garage was added to the property in 2018 and provides endless possibilities! It easily accommodates multiple cars, storage, and a workshop. It has its own half-bath and the loft upstairs is brimming with untapped potential – think exercise space, art studio, or a super private

work-from-home set up. This impeccably maintained property spans 2 peaceful acres with a charming stone wall at the front and woods to wander at the back. The patio leads out to an impressive stone firepit, making it easy to envision fun-filled days rolling into star-gazy nights with family and friends! A beautiful mix of evergreens have been incorporated into the landscaping and a sprawling level and sunny lawn surrounds the house. Recent improvements include a complete renovation for each of the home’s full bathrooms, all-new heating system and hot water heater, plus insulation and finishing work/shiplap in the barn. This convenient location is close to it all, and incredibly beautiful to boot! Just 5-15 minutes from amazing dining at spots like Clay at Wildflower Farms Auberge Resort and the brand-new One With Land – plus one of our all-time favorite farm-stands: Great Joy Family Farm! Some of the best and most sought-after hiking, swimming, and climbing in the region can be found at nearby Minnewaska State Park and in the Shawangunk Mountains. Only 15-25 minutes to fun destination towns like Gardiner, Ellenville, and New Paltz, and a breezy 1.5 hours to NYC!
