This impressive City of Kingston victorian two family home sits nicely back from the road on a triple size lot with (2) two car garages. There is plenty of off street parking and great access to Ulster shopping and restaurants. The pristine two bedroom lower unit is vacant and in move in condition with new appliances and butcher block countertops. The spacious one bedroom upper unit is currently occupied by a month to month tenant. There are three electric services and a natural gas fired boiler with radiators. Overall a very nice property for either income or owner occupancy.
