Farm on 116 Acres

N/A, Livingston, NY

~1850, multigenerational Treeland Farms is located in Livingston, NY, only 10 minutes from the historic City of Hudson. Originally a dairy farm, Treeland Farms has grown everything from corn and potatoes to vineyards of concord grapes and orchards of fruit trees. Most recently, the farm's fertile soils have supported crops of corn, while the gorgeous hillside pastures have been reserved for grazing cattle. Treeland Farms has a stunning maple-lined driveway that leads to the original farmhouse (now two family) with 50+ acres of open farmland as a backdrop. With an incredible view of the Catskill Mountains, the farm also has a 3-bedroom mobile home, a 2-bedroom cottage, a 2-bedroom apartment and multiple outbuildings and barns (see photo descriptions for more info). The property also boasts hardwood forests with nature trails and streams, as well as a creek fed irrigation pond.
