In this special setting, on a country corner property in Bethel, there is so much more than meets the eye. Ranch home is 3 bedrooms, 2 baths (including main BR suite) with a great room open to outdoor spaces, and an amazing array of outbuildings! Exceptional care has been given to this home through the years. Open plan with cozy woodstove and three sliders leads you to an expansive deck overlooking a peaceful wooded scene. Main bedroom suite also has sliders to deck, and is a separate wing of the home for privacy. Unbelievable storage space in the finish-able lower level, the attic and even more in the awesome detached 3 car garage. Garage is heated and cooled and is an amazing workshop space; a car enthusiast, artist/ hobbyist dream come true! There is a carport big enough for an RV and a couple more sheds. Property is three lots and there is appears to be a pond site on one of the lots behind the house. Very near to Bethel Woods, Bethel Motor Speedway, lakes and lakefront restaurants. Whole house generator is a HUGE plus! This is a great Airbnb opportunity.
