A secluded weekend sanctuary beloved for both its updated turnkey antique farmhouse and converted barn/guesthouse as well as its unrivalled rustic Hudson Valley views. 361 Craryville is the perfect marriage of traditional aesthetics and modern luxury amenities. Sundrenched chic-simple interiors include original 19th century details, impeccably-maintained natural hard wood floors, and open plan kitchen/dining room that make for the ultimate country compound for holidays and weekend. A screened in porch off the kitchen makes the dream of indoor-outdoor entertaining a 3-season reality, while there's an aura of rustic-luxe resort to the primary bedroom's immaculate white wood walls and walkout balcony. Winter gatherings for large or small groups take place by the wood-burning fireplace in the spacious living room. A separate loft style guesthouse (a reimagined original red barn,) allows for a unique multi residence set up. Spa-caliber fun guaranteed in the insulated cedar hot tub. In keeping with Hudson Valley's sustainable agriculture spirit, on-site solar panels provide partial green energy offset.
