\$699,900

3 Bedroom, 3.50 Bathroom, 2,749 sqft

Residential on 0 Acres

N/A, Kingston, NY

A newly built modern home made for comfort and easy living. This three-bed three-and half bath home includes an open floor plan flooded with natural light, complimented by beautiful hardwood flooring, long windows and 9 ft. ceilings throughout. A custom kitchen with a large island and stainless appliances is set alongside a spacious dining and living area with a half bath and sliders that open to a deck; perfect for summer night enjoyment. The first-floor features a primary ensuite with two walk-in closets, full bath with a walk-in shower. The main floor includes two additional bedrooms, a Jack and Jill bath and laundry room. The second floor features a bonus room with a full bath above the 2-car garage and ample storage space in the walk-up attic. The full basement provides additional living space or storage. Landscaping and a newly paved driveway alongside a quaint front porch make for a welcoming entrance. Located in walking distance to Forsyth Park, Trailways Bus Station and Uptown Kingston's restaurants, shops and Farmer's Market.
