Residential on 6 Acres

N/A, Olivebridge, NY

Down a private road sits this lovingly-maintained home on 5.5 acres. This three-story house has loads of charm and endless possibilities. The first floor features a lovely kitchen with wood cabinets, stainless steel appliances and breakfast bar. Off the kitchen is a large deck for grilling, chilling and entertaining. The large living space on this floor is used as a primary bedroom, with an exposed-beam cathedral ceiling and abundant natural light. Rounding out the first floor is a full bathroom and the laundry/utility room. Up the spiral staircase is a spacious and bright living room with multiple bay windows. Located next to the living room is a bonus room currently being used as a den, but could also make a great office with a separate entrance. On the third floor there are two nice sized bedrooms, a full bath and another bonus room. The wooded and private lot is great for exploring; a short hike down the bank brings you to the Beaverdam Brook which abuts a corner of this property. There is a shed for extra storage and an old outhouse. Located in beautiful Olivebridge between the towns of Stone Ridge and Woodstock and minutes to Tettaâ€™s Market and the Ashokan Reservoir.
