One of the original homes built by the Rose family in the 1950's this home although needing some updates, withstands the test of time and is waiting for the next stewards to bring polish and shine to its existing great bones. 3 Bedrooms and 1.5 baths, open Living/Dining rooms and large kitchen, fabulous large screened-in porch PLUS the detached two car garage which could make a lovely studio, guest space, gym, office. The land is simply beautiful and offers plenty of room for expansion of the house as well as a pool.
