3 Bedroom, 2.00 Bathroom, 1,647 sqft  
Residential on 3 Acres

N/A, Woodstock, NY

Classic Woodstock home set on 3.0 acres in the hamlet of Mount Tremper. This spacious light filled 3 bedroom 2 bath home features a large first floor principal bedroom and bath. The second floor features two bedrooms and another full bath. Lovely eat in kitchen which opens up to a large dining room with great views of the back yard. The living room which features a wood burning stove is perfect for relaxing on cold winter nights. Large finished basement adds extra living space and a separate laundry room with tons of storage. Spend your days relaxing on the deck with beautiful seasonal mountain views in a wooded country setting. High vaulted ceilings with exposed beams and a semi open floor plan create great space and a comfortable feel that makes you want to settle right in. This property offers the best of both worlds. Set outside of town but a short drive to the Village of Woodstock, the famous Bearsville music complex, the village of Phoenicia and Hunter and Belleayre mountains where you will find plenty of shops, restaurants and outdoor activities. There are also private hiking trails and watering holes near by for you to explore. The property borders land that is protected by the DEC and the property itself is part of the Ashokan watershed. Don't miss this special property located in an incredible location. It won't last long!
