4 Bedroom, 2.00 Bathroom, 1,959 sqft
Residential on 0 Acres

N/A, Kingston, NY

Built in 1921, this home features a covered front porch perfect for summer nights, and a well manicured backyard made for relaxing and entertaining. You will immediately feel at home as you step inside the welcoming vestibule with charming wood detailing. This is a third generation home first ever on the market. The original owner built most of the homes on Washington Avenue. Original molding, long windows and 9 ft. ceilings are visible throughout. The first floor includes a grand foyer with a large coat closet and stained glass window, a formal living room with beveled french doors, a spacious dining room, kitchen, den and first floor bath. The kitchen has been updated with stainless steel appliance including a 36" electric over and gas cooktop, a brand new dishwasher and LG Hausys countertops. The upstairs is complete with four bedrooms (one with a walk-in closet in addition to another closet) a full bath and walk-up access to a full attic. Ample closet and storage space throughout the home. A finished basement with a living room perfect for cozy movie nights or a play space, a laundry room with a washer/dryer and storage racks and a hobby room. 5 yr. Anderson Renewal Windows throughout. The lot features a 4-car detached garage with access on Josephine Avenue. Walking distance to a playground, Trailways bus terminal, Uptown's shops and eateries and is within of the public Montessori elementary school district.
