2 Bedroom, 1.00 Bathroom, 811 sqft

Residential on 6 Acres

N/A, Saugerties, NY

New Construction: To Be Built. Feast your eyes on the latest design from Hudson Home Industries. Now offering a super stylish, very well appointed 2 bed 1 bath open concept home that is 811 square feet on 6.2 acres with a pond. The home is sited in a way that it can actually function as an Incredible Cottage for a larger residence you may wish to build in the future. The lot has already been setup for a possible future build and this is a rare opportunity to buy a very well-constructed, modern home on a gorgeous parcel at a Very Reasonable Price. No corners are cut on this build, windows will be provided by Pella, the bathroom is fitted with a Toto fixture and a wall mounted vanity, the climate is controlled by Fujitsu and the home will be wrapped in Quality Edge TruCedar Steel siding that carries a lifetime warranty. The lot is cleared and ready to build on with approvals in place. The property is the largest and last of 4 that have been developed by the builder. It offers great privacy on a dead end road while being close to multiple towns and 5 minutes from the thruway. If building a home has been a dream of yours, put this property at the top of your list as it surely will not last. A full spec sheet is available upon request.
