3 Bedroom, 2.00 Bathroom, 1,488 sqft
Residential on 11 Acres

N/A, Elizaville, NY

The home that has it ALL! This property offers something for everyone with 10.5 acres of land to recreate upon, fruit trees, a pond, rolling countryside views, the perfect artist studio and a great, easy-care home that is ideal for weekend getaways or full-time living alike! Situated up a long drive just moments from the TSP access, this location makes for an easy commute from NYC to your little slice of heaven in the country and is just moments away from the restaurants, shops and galleries of Hudson, while also being close to skiing for winter sports and Lake Taghkanic State Park for summertime fun! The home offers hardwood floors throughout, a sunken great room styled living room that boasts a stone fireplace to relax in front of and offers access to the rear deck too. There is a formal dining room that is perfect for entertaining, while a refreshed kitchen with stainless appliances will be your place for casual dining. There are 3 bedrooms situated down the hallway, each offering closet space and gleaming hardwood floors, while a rustic additional bedroom is located in the lower level with it's own separate entrance along with a 3/4 bath, workshop area, laundry and access to the built-in garages. The space is currently set up as a 1.5 car garage with a mudroom area that leads to a completely fenced area below the rear deck that can be perfect for pets or poultry; if you need the full two car garage, just remove the mudroom to open the space once again. Keep the sports car or antique auto, sleds,

bikes or ATV in the detached outbuilding. This outbuilding is perfect for storage, workspace or imagine setting up your artist studio here. A sliding barn door provides privacy between the storage area and sweet sitting area; an ideal place for guests or summer parties. Set the Adirondack chairs at the edge of the peaceful pond, or sip lemonade on either the front or rear decks while overlooking the grounds. Lots of recent updates and new items including roofs, windows, gutters, decks, appliances, garage doors, and more. Priced aggressively, we think you won't find a more exciting "Ponderosa" to enjoy than this property which is Priced to Sell; so hurry, this great home won't last!
