****WE HAVE A MULTIPLE OFFERS SITUATION, AND AT THIS TIME, WE ARE ASKING FOR HIGHEST AND BEST OFFERS BY THURSDAY 08/24 AT 4PM. Please don't hesitate to email us with any questions or concerns. Thank you for showing 9 Carney! *** Rare & private classic center hall eyebrow colonial home from the early 1800s on over 6 acres of lush land on a quiet country road along with a separate cooking building from the beginning of it's life. This is definitely a project and needs work but this is a large home and there are so many good things here such as a metal roof, front & back stair cases, split Dutch doors at the front & back of the center hall, 3 fireplaces (that have been closed up), one in the living room, dining room and main bedroom. Most floors on the main level have been covered with vinyl or linoleum but upstairs the owners took some of that up and found wide board flooring underneath. Because of the age of this 1810 home, many of the bedrooms are small and don't have closets but some are connected and so could make a nice suite set up. The location is great, in between New Paltz & Kingston with easy access to the Thruway and eclectic shops and eateries, world class hiking and biking as well as close proximity to the Metro North train station in Poughkeepsie. If you've been looking for an historic home worth restoring that is not on a main road and has some acreage, you should definitely check this one out! Easy to see. Being sold as is.

Built in 1810
