Residential on 2 Acres

N/A, Hyde Park, NY

Rarely does a home come on the market in this exclusive quiet neighborhood, all large modern colonial homes on a dead-end road within 12 Minutes to Rhinebeck and 5 minutes to Dinsmore Gold Course or the Mills Norrie State Park & Marina or the Poughkeepsie Yacht Club. Close to the historic Hyde Park and President Roosevelt home and library. Drive through a canopy of trees to your future home. A well-maintained home with a beautiful kitchen that can accommodate your family and friends that is open to the living room and back patio. Gleaming hard wood floors, large windows that allow plenty of natural light throughout the day. Two staircases lead to the second floor. Central heat and air, central vacuum system, oversized three car garage, finished basement and a huge walkup attic that can be used for storage or for a possible future living space expansion. The house is served by Natural gas supply, a rarity in the Hudson Valley and with town water.
