3 Bedroom, 1.00 Bathroom, 1,596 sqft
Residential on 3 Acres

N/A, Salt Point, NY

Here is an amazing opportunity to own a little sliver of the Hudson Valley. Welcome to Salt Point, where you will find this 1930's cottage situated on nearly 3 acres. Set high off the road, up a long drive, this property offers privacy in a meadow like setting. The roof, wood siding and main structure appear to be in decent shape. The interior offers a nod to the 50's and could be totally adorable with new floors and fresh paint. There is currently just one full bathroom and it may require a complete renovation. Just 1.5 hours from the George Washington Bridge, Salt Point is a quaint hamlet of Dutchess County and is easily accessed via the Taconic State Parkway.

Built in 1930
