0 Bedroom, 0.00 Bathroom,
Land on 3 Acres

N/A, Saugerties, NY

Ready. Set. Build! Two contiguous building lots available and a lot of the work has been done for you already. Other lot is MLS # 20231556. Really pretty, level, usable land for a change. Access road has already been roughed in and the home sites have been cleared. Nice old stone wall along the western border. It gets better! A 3-4 bedroom leach field has been installed in each lot as well. Three lots will share this access road and a RMA has been drawn up to reflect that. The road bed will physically lie on lot 6.2. Home sites are private and at the very end of the access roads.
