As you leave the Hurley Flats and drive up Eagle's Nest Road you can already sense the coming views and privacy. When you arrive at this nearly 50 wooded acres with rolling terrain and amazing south west view potential the stress of your daily hectic life will melt away. A gravel driveway has been brought deep into the forest to a perch on the ridge over looking gorgeous, long distance SW valley and mountain views. Buried power was installed and an Airstream camper awaits you at the most amazing home site. 1989 Excella model, 34' long tri axle. The acreage straddles both sides of the access road which services several homes beyond and an RMA does exist. Nice, healthy, young forest with a mix of pine and hardwoods. The scattered big rocks add a lot of character. Both sides of the road look very usable but the views are along the ridge on the southern side. Plenty of room here to live and laugh and play hard. It'll be hard to leave but do explore a bit. Local amazing places like the Mohonk Mtn House, Minnewaska State Park and the Mohonk Preserve, full of hiking and biking trails to incredible view points, will capture your heart and keep you healthy!
