Land on 30 Acres

N/A, Highland, NY

Thirty plus acres of raw land offering 2 or 3 choice home sites well back off of the town road with wonderful privacy. The acreage backs up to the Swarte Kill Creek and what I call the Black Creek Swamp. Federal and state wetlands on site and on two sides of the lot and they are wonderful neighbors! Your other neighbors are deer, turkey, beavers and fox. Build in the back of the lot on the highest point and look out across the open wetlands. The bird traffic will be impressive! You will feel isolated here yet the NYS Thruway is 5 mins away and Rt 299 / Lowes even less! Marked trails here to make it easy to explore.
